

Update Paul Kwofie – end of first year education

EXAMINATION RESULTS

I have successfully completed my first year education at the medical school. Things become tougher as one climbs the academic ladder. I will do my best to keep my results as encouraging as possible since this enhances my focus in the medical school. We did eight courses in the first semester in which I got grade A in five courses and grade B in three courses. I also got grade B in all the five courses I undertook in the second semester. Below is a summary of my first and second semester results

FIRST YEAR FIRST SEMESTER RESULTS

COURSE	GRADE
Computer appreciation	A
Algebra	A
Communication Skills	B
Statistics	A
Biological Chemistry 1	B
Cell Structure	B
Basic Medical Chemistry	A
Genetics	A

FIRST YEAR SECOND SEMESTER RESULTS

COURSE	GRADE
Anatomy	B
Physiology	B
Biochemistry	B
Medical Entomology	B
Behavioral Sciences	B
