Dear iSTEPup,

I am Freddy Joseph, a student at Buhongwa College of Health and Allied Sciences (BUCHAS). The main aim of writing to you is to thank you for the financial support that the **iSTEPup** organization has offered me throughout the 2020-2021 educational year.

I want to express my thanks and deepest appreciation for your contribution in paying my tuition fees and relieving me from the financial worries which were a big challenge on my educational path. Your assistance was gratifying and once again from the bottom of my heart I say thank you and may God bless you abundantly.

The semester has been nice, I have been meeting many new friends. Our teachers have been great too and have really done a nice job pertaining curriculum matters. Class lessons, group discussions and learning in general have really been awesome. I am proud to announce that I have passed my first semester! At the moment we are on a short holiday, studies resume in two weeks.

There is a saying that "No Appreciation is enough for great kindness" but here I really want to say that the help I have received from **iSTEPup** has taught me to also give back to the community whenever I can.

Thanks from the heart.

Freddy Joseph.
