

Graduation update June 2024 – Neema Nakei

Recently, we received wonderful news from Neema in Tanzania: She has obtained her diploma in Pharmacy! Neema currently works at Apple Medics, a small pharmacy in Babati, Tanzania. She is now able to help patients and to advise people how to use medicine in a good dose, and she also financially supports her family and neighbors.

“I would like to say thank you to iSTEPup. I am working here because I was studying pharmacy, diploma of pharmacy, with the help of iSTEPup. It is my dream, one day, to have my pharmacy and to work there myself. Thank you so much!”
