

20 August 2024

Hi,

I am Amara Musa, pursuing higher Diploma in clinical medicine at Njala University in sierra leone. I want to inform you that I have just completed my final exams for my programme and am now currently on my desertation writing.

I want to use this opportunity to say a very big thanks to iSTEP up foundation for their support towards my educational journey. It was a very big opportunity to have iSTEP up foundation on my side.

Once more, thank you very much.

Amara Musa.
