DEAR MY SPONSORS

Respectively my sponsors I prefer to use this opportunity first of all to thank you for sponsoring me in order to continue with my nursing studies at St. Magdalene health training institute. My studies are progressing well and my performance on the both side theory and practical studies are good.

I pray for you to have more successfully in your daily activities.

At 28/8/2024 we finished our examinations of the end of Second Semester 2023-2024 which allow me to enter in third year 2024-2025 from 3/9/2024 for the first semester. Also at this semester we will study six studies as follows

1. Research study
2. Epidemiology study
3. Abnormal labour studies
4. Abnormal new born
5. Supervision studies
6. Mental studies

At December 2024 we will go at mental research we will go at psychiatric hospital at Igabiro Muleba Kagera. Which will take around two weeks.

Also at may 2025 we will go at Midwife
ry field for abnormal labour studies and abno
rmal new born .

This field will be conducted outside of our
School and it will take also two weeks

At April we will seat for the end of first tremester
And at August we will seat for the end of second
tremester of third year studies .

Dear my Sponsor thanks to your help to me
and I beg you to continue sponsor me for the
year 2024-2025 the year that I suspect to gradu
ate diploma of nursing.

I promise to study very hard in order to get
more successfully in the end of examinations.

Your Faithfully
