

Update on graduation, October 2024

I am thrilled to share an update on my graduation. On September 25, 2024, I successfully graduated with a degree with credits.

I would like to extend my heartfelt gratitude to ISTEPup for the invaluable financial support throughout my academic journey. Your organization's contribution has made a significant impact on my life.

Additionally, I would like to thank Laura, my buddy, for her guidance, support, and kindness. Her mentorship has been invaluable.

As I move forward, I am eager to explore international career opportunities. It is my sincere wish to work overseas, and I hope this dream becomes a reality.

Thank you once again, ISTEPup, for believing in me and empowering me to achieve my goals.

I have attached some pictures from graduation ceremony for your viewing

Sincerely,

Christopher Mbeko
