I STEP UP FOUNDATION

REF:PROGRESSION OF MY STUDIES AT PADRE PIO COLLAGE OF HEALTH AND ALLIED SCIENCE  
(PCOHAS).

Refer to the heading above. My name is Juliani Angelo Rwiza a clinical student at Padre Pio College of health and allied science. I am a third year student persuing Diploma in clinical medicine (CMT). Firstly I would like to say thanks for the support you are showing to me towards to accomplish my dreams where by you have helped me in one way another through your sponsership in paying the school fees without your spounser and support it could be not easy for me to continue with my studies at Padre Pio College. Almighty God be with you.

After completing my diploma I would like to study a degree in which I want to became a surgeon in future. So am still need of your support so that I can accomplish my plan so that I will be more competence in helping the lives of the people who need medical attention.

I will be thanksfully when my application will be taken into consideration may God bless you.

Yours faithfully
