I STEP UP FOUNDATION

REF:PROGRESSION OF MY STUDIES AT PADRE PIO COLLAGE OF HEALTH AND ALLIED SCIENCE.

Refer to the heading above. I am Marietha Angello a clinical student at Padre Pio College of health and allied science. I am a third year student of level 6 semester one. First I want to very thank you for your giving heart in which you have helped me in one way another through your spournership in paying the school fees without your spounser and support it could be easy for me to continue with my studies at Padre Pio College. Almighty God be with you.

After completing my diploma I would like to study a degree in which I want to became a gynaecologist in future. So am still need of your support so that I can accomplish my plan so that I will be more competence in helping the lives of the people who need medical attention.

I will be thankfully when my application will be taken into consideration may God bless you.

Yours faithfully

Marietha Angello
