

Dear iSTEPup Foundation,

I write to express my profound thanks for your sponsorship of my education. Your generosity has opened doors for me that were once only dreams. It is a privilege and an inspiration to have been chosen as a recipient of your scholarship. Because of your support, I am equipped to thrive academically and pursue my career aspirations with vigor. I am motivated to excel and give back to the community, in kind.

Please accept my heartfelt gratitude for the immeasurable financial contribution that iSTEPup has made in support of my education. Without your help, I may never have been able to undertake my studies. Your generosity and help have been an inspiration to me. I would like to take this opportunity to announce that I have passed my examinations and I am eligible to start my final year. We have resumed studies and the teachers are in good spirit to keep us up and going. I have attached a copy of my academic results, the copy of payment schedule of my final year and a few pictures together with this letter.

Thank you once again for your invaluable contribution to my future. I am both honored and humbled by your support.

Best regards,

Freddie Joseph.
