Dear iSTEP up committee

Re. THANKS FOR SCHOLARSHIP

I want to use this opportunity to thank istepup for the scholarship in my nursing and midwifery Technician diploma program.

It's all because of you that am in my second year which started on 6 January 2025. I am happy person now seeing my dream alive when it was at of crushing. Now am able to concentrate on my studies and my grades looks promising although there maybe some hiccup in term of food and accommodation but the most important thing is school fees is solved now.

currently am at Nkhoma hospital doing my clinical practical and I will here of four months then I will go for my end semester exams in June.

Its my wish to be part of the health workforce in my country that will bring solutions to our health sector and reaching so many people with health solutions by utilize my web designing and technology skills which has been made possible by iStepUpthe

Best regards

yours Faithfully
